LONG FLIGHT OF PIGEON.

Travels Over Six Hundred and Fifty Miles.

FALLS UPON A STEAMER.

Captain of El Cid Has on His Vessel a Bird With Silver Band and Initials Inscribed Thereon, but Nothing to Indicate Starting Point.

Galveston, Sept. 9.—Captain Baker of the Morgan liner El Cid when his vessel arrived in port brought with him a carrier pigeon which he claims to have picked up at sea, 650 miles off the Texas coast. He says that the bird dropped to the deck of his steamer early one morning and that when picked up it was in a complete state of exhaustion.

The unusual fact of such a bird being so far from land excited his attention, and it was discovered that the bird had attached to its leg a silver band bearing the inscription: No. 19, R. P.

There is no way of ascertaining to whom the bird belongs nor where it came from. Local pigeon fanciers know of no such record mark or number and have been unable to find it listed in any of the catalogues.

Whether or not the pigeon bore a message when it was released is not known, for there was no trace of it when the bird was recovered. The captain said the bird had had a hard experience, for when it dropped, it was in a state of exhaustion and could not have gone much farther.

The El Cid has left this port for New York, but Captain Baker has taken good care of the bird and will endeavor to ascertain where it came from and if possible get an explanation as to why it was out on the gulf 650 miles from the nearest land.

Ten Tenements Burn.

Brownsville, Pa., Sept. 9.—Ten tenement houses burned at this place, entailing \$10,000 loss.

MAN BURNS TO DEATH.

Two Women Injured and Couple of Firemen Also.

Philadelphia, Sept. 9.—The men's and women's building of the Philadelphia Society club at Chestnut Hill, a suburb, was destroyed by fire. The only persons in the structure at the time were employees.

Thomas McHenry, a waiter, was burned to death. Mrs. Hollis, a caretaker, had a limb broken, as did also Mrs. Driscoll. John Webb, foreman of a fire engine company, and Harry Gasner, a hoseman, were badly burned.

BRYAN, PARKER, HILL.

Presidential Candidate to Be Guest of the Two Latter.

Chicago, Sept. 9.—W. J. Bryan who left at 9 o'clock Wednesday morning for Peoria, will spend Sunday, Sept. 20, as the guest of former Judge Parker at his home at Esopus, N. Y., and that evening journey on the Albany, where the candidate will spend the night as the guest of former Senator Hill. The announcement of Sunday visits of Bryan to Parker and Hill was made by National Chairman Mack, who said it was quite possible politics would be discussed. Next Sunday Mr. Bryan will spend at Deer Park, Md., as the guest of National Committeeman McCraw of West Virginia and former Senator Davis.

Mr. Bryan will visit the state fair at Wheeling Sept. 11, and that evening make a speech, leaving at midnight for Cumberland, where he will speak on the following day.

Chairman Mack said the visit of Mr. Bryan to the homes of Messrs. Parker and Hill showed conclusively that Democracy is firmly united in the east and factionalism a thing of the past.

Derailed on Curve.

Schulter, Okla., Sept. 9.—A south-bound St. Louis and San Francisco through passenger train was partially derailed on a curve one mile north. The mail and baggage cars, two coaches and one chair car left the track.

HAINS' AMUSEMENT.

Puts Playing Cards to a Novel Use For Time Killing.

New York, Sept. 9.—With a pack of playing cards, with which he builds miniature fortifications, houses and lays plans of battle, Captain Peter C. Hains, Jr., passes his time in his cell at the Queens county jail, Long Island City, where he is awaiting trial together with his brother, T. Jenkins Hains for the killing of William E. Annis at the Bayside Yacht club on Aug. 15. Whenever he succeeds in getting

CAPTAIN PETER C. HAINS, JR.

the cards in the desired position and completes his building he springs up from his table in ecstasy of joy and shouts: "I've got it! I've got it!"

T. Jenkins Hains, who is confined in another part of the jail, passes his time reading and lounging around. Lawyer Joseph A. Shay, one of the attorneys for the defense, says that it is untrue that Jenkins Hains is writing a story of the shooting.

Mr. Shay says that the ordeal is telling on the parents of the brothers, General Hains and his wife. He doubts if the elder Mrs. Hains will survive the ordeal of her sons being

Protest Presented.

San Antonio, Sept. 9.—H. J. McClosky, a wealthy farmer of Denison, now here, formulated a strong protest against the San Antonio and Aransas Pass road for failing to have separate apartments for whites and negroes at the station here. The protest is to be sent to the state railroad commission.

Epidemic of Hydrophobia.

Gainesville, Tex., Sept. 9.—An epidemic of hydrophobia is reported from Era, fourteen miles southwest of here. A dozen persons were bitten, among them J. J. Griffin, his wife and five children. One of the boys went mad. Numerous cattle are suffering from the disease and six died the last three days.

STRANGE OATH TAKEN.

Man Obligates Himself Not to Terminate Mortal Career.

New York, Sept. 9.—There was a strange oath taken in the night court when Frederick W. Scucker of Pleasantville, N. Y., raised his right hand and faced Magistrate Corrigan.

"Do you swear before God not to kill yourself?" asked the magistrate. "I do."

"You are discharged." Scucker made threats to take his life and was arrested. When arraigned in the night court Scucker declared he had changed his mind, but Magistrate Corrigan required an oath that he would not carry out his threat of self destruction.

Fort Worth, Sept. 9.—Alexander Smith, said to be insane, and who was thought to be dying at the county jail, Wednesday morning attacked Jailer McCain and nearly beat him to death before help arrived. McCain had hardly entered the cell when the prisoner leaped upon him and the encounter was desperate. The jailer was unconscious when rescued.

Locomotive Overturns.

Cleburne, Tex., Sept. 9.—A wreck occurred in the Santa Fe yards. A switch engine side swiped a freight train. Fireman J. K. Wilson, of the switch engine was horribly mangled, dying instantly. He was aged twenty-eight. His home was at Hickory, Okla. His engine was thrown from the track and overturned.

NEW DEPARTMENTS

We announce in advance the Opening of our new **MILLINERY** and **READY TO WEAR** Departments for Women. For months we have been planning to install these two new departments in a way that they would reflect credit upon our little city as well as upon ourselves. To this end we believe we have conquered ambition and in the very near future we will announce the Opening of these Departments, which will occupy the most convenient and handsome spaces in our new building.

READY TO WEAR

Installation of this most important department. Mr. Wilson spent three weeks in Chicago and New York reviewing many styles and makes in Ladies' and Misses' Tailored Suits, Wraps, Monas, Waists, Fine Silk Petticoats, Muslin Underwear, &c. While in New York he was fortunate in securing the agencies of "Makers" from whom the leading firms in Dallas and Houston make their purchases, hence we offer an absolute guarantee in correctness of model, style, quality and fit.

The increase in the number and ac-
tivity of drummers is a pretty good
sign that business is improving.

How many voters have changed
their minds? inquires the Galveston
Tribune. Why not first ascertain
how many have minds.

Those forest fires in the far North
are premature. If they were a few
months later they might temper the
winds that come from there.

Hobson is trying to make Chicago
believe that the Japanese are about
to descend upon the Windy City. But
Chicago don't scare worth a cent.

The anarchists in New York tried
to turn the Labor Day celebration in-
to a riot, but the police arrested the
leaders and quelled the disturbance.

A conference of anti-prohibition
leaders and no mention of George
Pendleton. There must be some-
thing wrong with somebody.

Candidate Chaffin says that if elected
president he will, if necessary,
call out the army to drive liquor out
of Washington City. Yet there is no
excitement in Washington City.

North Carolina is contributing
country and Mississippi is raffling off
sows for the benefit of the Bryan
campaign fund. The democratic
asses are getting down to business.

If Para grass grows two inches a
day and if hogs and cattle thrive on
it without any other food, as it is
asserted, there ought to be a Para
grass boom.

Through an oversight the article on
the Eagle's front page yesterday un-
der the head: "President Milnes and
Mak."

been.

Governor Fort made the Atlantic
City joints close up on Sunday by
threatening to call out the militia.
Suppose Gov. Campbell should try
the same thing on San Antonio and
Galveston. What would happen?

A Missouri man who was told by
his physicians that he could not live
till the election asked to have these
words inscribed on his tombstone:
"Kind friends whom I have left be-
hind, cast your votes for William Jen-
nings Bryan."

Among the ancients the sacrifi-
cial room was bedecked with gar-
lands of flowers. Col. Cecil Lyon
and the other colonels will cover
John N. Simpson with flowers of
rhetoric when they notify him that
he has been chosen for the slaugh-
ter on November 3.

During the Chicago demonstration,
every movement of Mr. Bryan was
photographed and the pictures will be
used in connection with the phono-
graph records of his speeches. The
Eagle several times predicted that
the moving picture show would be
used for political purposes.

The Republican candidate for gov-
ernor of Kansas pommelled a steam-
cavalry man with his fist to make
him stop the machine while he and
the other candidates were speaking.
If he had been a Democrat and the
incident had occurred in a Southern
state, it would have been "an out-
rage."

TEACHERS' INSTITUTE.

The third day of the Bryan Teach-
ers' Institute, like those preceeding
was a success in every way.

Mrs. Estill related a history story
suitable for third grade children.
Also she gave a sample lesson in Hi-
awatha. The lesson was a beauti-
ful illustration, and shows clearly her
skillful manner of handling such sub-
jects.

Miss Ada Board gave a history
story for sixth grade. Like all her
work it was well done.

"Tariff and Trusts" was ably hand-
led by Professor Bethany.

From 10 to 11 Superintendent Law-
son discussed the teaching of arith-
metic as treated by McMurray.

From 11 to 12 Prof Kinnard han-
dled Herbart's doctrine in his usual
thorough manner.

Miss Lella Griffin in nature study
gave an interesting model lesson on
"Bees."

Miss Virginia Watkins in happy
style demonstrated and discussed
drawing in primary grades.

Miss Ray Montgomery gave a beau-
tiful lesson on "Lumbering in the for-
ests of Minnesota."

Superintendent Lawson occupien
his afternoon hour as usual in a dis-
cussion of matters of vital interest to
the school system.

"Educational Ideals," the last sub-
ject on the program was handled in
excellent style by Miss Wesa Wed-
dington.

Miss Kinnard was a caller during
the progress of the institute yester-
day.

Every teacher is present, intensely
interested, working faithfully, all of
which will tell in the future of the
schools.

PROGRESS OF WORK

On Drainage District No. 1 of Brazos
County.

Mr. T. R. Batte, Jr., returned to
Allen Farm Sunday afternoon. His
work on the levee line near Millican
is progressing nicely. The levee will
extend for a distance of ten miles and
when completed will add 10,000 acres
of the richest land in Texas to the
farming area of the section. As
soon as Mr. Batte completes the pre-
liminary work the levee construction
proper will begin and it will be com-
pleted before another flood comes to
devastate the farm.

Fought It Out.

A duel with knives between two men
well known here was almost enacted
at 10 o'clock last night, but they
were disarmed and allowed to fight
the matter out with their fists. One
of the men was knocked down and
his arm striking a piece of glass when
he fell, was badly cut. The other
party to the affray surrendered to
Deputy Marshall Shelburne. Later in
the night Constable Baker arrested
one of the parties to the first fight
for striking a woman with a picket,
and lodged him in jail.

Retail Merchant's Club.

Members of the Bryan Retail Mer-
chants' Club are notified that their
annual meeting will be held at 8 o'clock
on Monday, September 14, at the Elks
Lodge. Important business will be transacted.

Boehmer of Eagle Pass has
long been a thorn in the flesh of the
Texas federal office holding crowd.
Time and again in the Rio Grande
News he has roasted Col. Cecil A.
Lyon and the other "Colonels." To
get rid of him the "Colonels" have
induced Roosevelt to invite Boehmer
to go with him to Africa. If Maj.
Mose Harris hadn't become tame
enough to eat out of Col. Lyon's hand
after the steam roller ran over him
he too might have gone to Africa.

Champion Wrestling Match.

Joe Savini can't get anyone to
match for him here in Bryan and has
sent a challenge to Houston for Mr.
Will Mahoval, one of the best wrest-
lers of the state of Texas.

If Will Mahoval accepts the chal-
lenge of Joe Savini, the match will
take place here in Bryan, Sept. 23,
at the Opera House.

If Will Mahoval does not accept
Joe Savini challenge he will return
back to Waco where he has a wrest-
ling match made with the champion
of Louisiana for a \$400 purse from
the Elks Lodge.

Joe Savini is known to stand at
the top with the Elks at Waco and
this match will be pulled off in Waco
on the 27th of Sept. at the Auditor-
ium. Joe Savini will leave Bryan for
Waco today, where he will go and
train for the match and be in good
condition to defend his title with the
champion of Louisiana, and leave his
manager Joe Perella in Bryan to com-
municate with and he will answer
any questions asked.

SCHOOL DAYS

Did it ever occur to
business men keep a checking account
a bank? We will tell you. It enables
them to keep their funds in a more secure
place than the office safe. It gives them a better
standing in the business world. It enables them
to pay their bills by check, the returned check
being a receipt. Individuals find a checking
account very convenient and a source of saving.
Money in one's pocket is often spent on the

FACTULTY RECITAL.

Messrs. Techau and Graham Score a Great Success.

Herr Harald Techau and Mr. J. Bert Graham faced an audience at the first Baptist church in this city last night which tested the seating capacity of the building, and was an inspiration not only because of numbers, but because it was an audience whose intelligence and refined discrimination gave assurance to the interpreting artists that their efforts would be fully understood and appreciated, and these musicians put their soul into their work.

Messrs. Techau and Graham are at the head of the music department of the Texas Woman's College, and the event of last night served to formally introduce them to the Bryan public.

A strong and carefully selected program was rendered, and needless to say, it reflected great credit on the performers. Mr. Techau as pianist left nothing to be desired, either in technic or interpretation. Mr. Graham as vocalist had his voice well under control, and sang with good feeling and expression.

The vocal part of the program consisted of three love songs from prominent American composers; a group of representative songs from America's greatest composer, MacDowell; and selections from the song cycle of Tennyson's "Maud," written by that brilliant Englishman Arthur Somervell.

The piano numbers were very well chosen, and showed the great extent of Mr. Techau's training. The "Ballade" of Scholtz, and the "Wedding Day" by Greig created a distinct sensation.

The audience was very enthusiastic in its praise of the performers, and were warm in their commendation of President Charlton for securing these gentlemen as members of the Texas Woman's College faculty.

The program follows:

- a. To Mary.....Maud White
- b. Mighty Lak A Rose.....Nevin
- c. A Birthday.....Cowan
- Mr. Graham.
- a. Andante Spianato. Fr. Chopin
- b. Ballade, op. 78.....Herman Scholtz

IS A GREAT TOWN.

I. & G. N. Officials Speak Highly of
Bryan.

H. W. Clarke, general superintend-
ent, Palestine; N. M. Leach, general
freight agent, Palestine; Henry Mar-
tin, division superintendent, Mart, and
O. H. Crittenden, chief engineer, Pal-
estine, composed a party of I. & G. N.
railway officials who arrived in our
city yesterday afternoon in their spe-
cial car at 4 o'clock, coming from the
South.

It was the initial trip of General
Superintendent Clarke and General
Freight Agent Leach over the divi-
sion, and the visit was somewhat in
the nature of a get-acquainted trip.
Under the guidance of Local Freight
Agent Demaret they were shown over
the city.

To the Eagle representative the
gentlemen all expressed themselves as
highly pleased with their visit.

"We are well pleased with the
amount of business which the people
of Bryan are giving our road, and
we are here today to meet and talk
to them, and make our service com-
ply more closely with their demands
if possible to do so," said Mr. Clarke
to the Eagle representative.

Mr. Leach declared that he was
surprised to find such large and com-
plete stocks of goods carried by Bry-
an merchants. "Why," said he, "I find
the merchants of Bryan carrying
stocks of goods that we would not ex-
pect to see in towns of less than 25-
000 inhabitants. My visit here today,
which by the way is my first, but will
not be my last, is a revelation to me
You have a fine city, a progressive
class of business men, and the large
volume of trade which comes to your
town is sufficient evidence of their
enterprise and ability. We are decid-
edly pleased with the city and the peo-
ple whom we have met here."

The party remained in their car
over night and will leave for the
north this morning.

JOINT SILVER JUBILEE HELD.

For Two of the Ursuline Community
in Galveston.

Galveston, Texas, September 8.—
This morning at 8:30 there was cele-
brated at Ursuline convent the silver
jubilee of Mother Mary Baptista and
Mother Mary Berchmans in connection
with the celebration of the feast
of the nativity of the Blessed Virgin,
the joint event being celebrated with
solemn high mass at the above named
convent. Rev. Father Faget, S. J., was
the celebrant, with Very Rev. Father
Keller as subdeacon.

The double service was most beau-
tiful and it was attended by all of the
sisters and the pupils of the convent.
Bishop Nicholas Gallagher was also
present and following the mass
crowned the silver jubilants with sil-
ver wreaths.

The service was a beautiful one
and most impressive, the sermon fol-
lowing the mass being delivered by
Rev. Father Otis, the observance of
the event being followed by an ele-
gant luncheon served in the dining
room.

Mother Mary Berchmans was known
to the world as Miss Agnes Slocum,
and is a Galvestonian, a graduate of
Ursuline academy, class of 1881, and
entered the order and took her vows
in 1883. Sister Baptista was of Bed-
ford, N. Y.—Houston Post.

Mothers Berchmann and Baptista
were for years teachers at Villa
Maria, and for this reason the dispatch
here reproduced is of more than pas-
sing interest.

TEXAS WOMAN'S COLLEGE.

Session of 1908-9 Formally Inaug-
urated.

Friends of the school to the num-
ber of several hundred were present
at the opening exercises in the col-
lege chapel yesterday morning, which
marked the opening of the school
year. The occasion also proved the
opportunity for the people of Bryan
to meet the teachers composing the
faculty of the college, which of itself
was one of the pleasures of the day.

The day was auspicious for the
opening, and the large number pre-
sent indicate to some extent the in-
fluence of the school in this com-
munity and the success it may at-
tain.

The following program was render-
ed:

party followed during the reception.
